MEMORANDUM FOR : Talent Control Officer, CIA

SUBJECT : Talent Interpreter Groups and their Use
of Outside Consultants

REFERENCE : TCS-1009-57, dated 13 March 1957

25X1A9a

1. In regard to the referenced memorandum and discussions between [REDACTED] it is recognized some consultants used in the review of Talent materials may be an exception, however, it is my view that in so far as possible information furnished such persons should be attributed to multiple sources.

2. It is felt that such procedure will cloud true procurement techniques, afford Aquatone a degree of protection, and still permit adequate use of Talent materials consistent with the philosophy of the Talent System.
